Question	Answer
1. I saw an old coin for sale at my local markets for \$20. On one side it featured the head of Augustus and was dated 27 B.C. The other side was quite worn. I realised that it was a fake so didn't buy it. How did I know ?	The dating system including A.D. And B.C. was created after the death of Jesus. No one would have been able to predict the year of his death in order to date a coin before it.
2. A plane crashed on the border between North and South Korea and rescue workers from both countries were called in to help the victims. In which country were the survivors buried ?	As they were survivors they were, thankfully, not buried
3. I live on the 28 th floor of a 32 story building. When my tax agent comes to visit he takes the lift to the 25 th floor and then walks up the stairs. When he leaves he takes the lift from the 28 th floor all the way down. Why ?	He is very short and can only reach the button for the 25 th floor.
4. If the date of the last Saturday of last month and the first Sunday of this month do not add up to 33 what month are we in ?	The month that you are doing this puzzle.
5. If I take two apples out of a basket of six apples how many apples will I have ?	I would have the two apples that I took out of the basket.
6. How much will a 46 degree angle measure when observed under a microscope and magnified 20 times ?	46 degrees.
7. Ronald was born in Hobart in in 1994 on a date not divisible by 2, 3 or 5 in a month that does not contain the letters E or I. When does Ronald become one year older ?	On his birthday.
8. A 30 year old man married a 25 year old woman. She died at the age of 50 and the man was so upset that he cried for years. Ten years after he stopped crying he died. He lived to be 80. How many years was he a widower ?	25 years.
9. How can you throw a cricket ball so that, after traveling for a short distance, it stops and returns via the same path? The ball can not be hit or tied to anything.	Throw the ball straight up into the air.
10. With your pants on, how can you put your right hand in your left pocket and your left hand in your right pocket ?	Put the pants on inside-out
